MIDSIZE BUMPER CARS

The Mid Size bumper cars in a new category of bumper cars of intermediate size compared to junior cars and adult cars.

It is specially designed for seating 1 adult and 1 child.

It is available with Floor Pick up System (FPU) or Over Head System (OHS) therefore suitable for both Indoor and outdoor projects.

Firstly introduced in 1993 with the famous model Hypnos, the today's range of cars includes Hypnos ω , Sport 1, Charlie and Sphera.

The car is equipped with polyurethane seats, double seat belts, LED lights (options on new mod Sphera).

Special Theming

MOTOR AND CHASSIS

- Extra strong steel bearings. For precision driving. Maintenance-free.
- Sturdy steel chassis. The electro-galvanising treatment and subsequent epoxy oven painting ensure long life even in difficult environmental conditions.
- Sturdy rod support and reliable clamping of same by means of strong nylon ring. Extra safe rod insulation.
- Steel-wire earth contact brush with sliding contact in metalcarbon, for better electrical contact.
- Front side stabilisers in reinforced nylon projected towards the outer perimeter of the chassis for better stability in case of side bumps.
- Permanent magnet motor, sturdy, powerful, reliable and easy to service.
- Rubber tyre with special reinforced front section to permit a great impact absorption.

FIBERGLASS BODY, SEATS AND LIGHTING

- Steering wheel and gum-shield in black polyurethane.
- Pole holder stylised cap, made of black polyurethane.
- Rear lights incorporated in 4 metacrilate shockproof protecting glasses. Screws made of stainless steel with convex socket caps.
- Front lights completely integrated and protected by clear shock-proof glasses.
- Front and low rear lights completely integrated for better protection. Made of shock-proof material for better resistance.
- Front and rear lights protected by external surround in polished stainless steel.
- Engraved and coloured front aluminium logo.
- Integrated two-points double inertial belts. Internal sides made of fiberglass with polyurethane foam. Sturdy polyurethane seats, easy to clean.
